Chief, FBID

FBIS Dissemination to the BBC

1. FBIS material distributed to the BBC comprises a) Daily Report publications, b) wire material filed direct from the Field Bureaus, and c) other published documents and reports which include Propaganda Branch's publications, Economic Information Cards, and technical publications. Annual page production is computed for categories (a) and (b) above on the basis of 300 words per 8" x 10½" page, which is Daily Report size. Distribution under category (c) is listed below with the number of each publication sent regularly to the British.

a. <u>Daily Reports</u>	<u>Annual Page Production</u>	<u>Pages Supplied the British</u>
Latin America	2,860	2,860
WE and NE	15,860	15,444
USSR and EE	36,660	17,524
